

User asked: Transcribe the video.

System answered: This could be the most important minute of your day. We have been through difficult times and faced big problems ahead. But every crisis contains both danger and opportunity. You can play your part right now. So please close your eyes. Imagine the better future we could have. What does it look like for you? For the people you love. How do we lift each other up and make it fresh? How do we protect nature? And save our shared notion. Picture that I dream of. Now open your eyes. It's time to talk about the future we want. Go go go go go go go go go go.
